## Reddit-Based Questions and Answers (USA Users)

### Is Chase Travel cheaper than booking directly?

Many users report that prices are **similar to third-party platforms like Expedia**, but the real value comes from **reward points redemption**.

#### **Answer:**

Chase Travel may not always be cheaper in cash, but using points can significantly reduce costs.

---

### Can I use points and cash together?

Yes, this is one of the most appreciated features.

#### **Answer:**

You can split payments between **Ultimate Rewards points and your credit card**, offering flexibility.

---

## What happens if I need to cancel a booking?

Policies vary depending on airlines, hotels, or vendors.

### Answer:

You must follow the provider's cancellation policy, but you can manage bookings directly through the Chase Travel portal or call **+1-888-483-9719**.

---

## Is Chase Travel reliable?

Most Reddit users find it reliable but recommend checking policies carefully.

### Answer:

Chase Travel is backed by a major financial institution, making it trustworthy, but always review terms before booking.

---

## Benefits of Using Chase Travel<sup>SM</sup>

### Reward Optimization

- Earn and redeem points efficiently
- Higher redemption value with premium cards
