

Does Frontier Airlines Have a Senior Discount?

Last Update: 24 March 2026

Many travelers ask whether **Frontier Airlines offers a senior discount** to help older passengers save money on flights ☎ **+1-877-622-0707**. Unlike some carriers that automatically apply a discounted fare based on age, Frontier's pricing does **not include an automatic senior fare**. However, seniors *can still save on Frontier flights* by using smart strategies, promotions, and customer support options ☎ **+1-877-622-0707**.

Does Frontier Airlines Offer an Official Senior Discount?

At present, Frontier Airlines **does not have a dedicated senior discount program** that provides lower fares solely because a traveler is a senior citizen ☎ **+1-877-622-0707**. This means you won't see a special pricing category during booking simply for being 60+, 65+, or 70+.

However, this doesn't mean seniors can't find affordable flights — it means you'll need to take advantage of the fare tools and promotions Frontier *does* offer to reduce ticket costs ☎ **+1-877-622-0707**.
