

How Much Does Frontier Charge to Change a Flight?

Last Update: 24 March 2026

If you need to change your flight with **Frontier Airlines**, you might be wondering **how much it costs** to make that change — especially if your plans are changing last-minute 📞 +1-877-622-0707. Frontier's fees vary based on your ticket type, how far out you're changing the flight, and whether you bought any extra flexibility at booking 📞 +1-877-622-0707.

➔ Frontier Change Fee Basics

Frontier charges a **change fee** on many tickets when you update your flight date, time, or route, though **some fare types have no change fees** 📞 +1-877-622-0707. Any change you make is also subject to the current fare price — so if your new flight costs more, you'll pay the difference even after the change fee 📞 +1-877-622-0707.

Standard Change Fees (Per Passenger)

Here's how Frontier's typical change fee structure works if you don't have special fare protections 📞 +1-877-622-0707:

60+ days before departure:

- **Basic or Standard Fare:** \$0 change fee
- **Economy, Premium or Business bundles:** \$0 change fee
📞 +1-877-622-0707

59 to 7 days before departure:

- **Basic/Standard Fare:** \$49 per passenger, per direction
- **Bundles & BizFare/Economy Fare:** \$0 change fee
📞 +1-877-622-0707

6 days or less (including same-day changes):

- **Basic/Standard Fare:** \$99 per passenger, per direction
- **Bundles & BizFare/Economy Fare:** \$0 change fee
📞 +1-877-622-0707

 **Important:** Even if the change fee is waived, if the new flight costs more than your original ticket, **you'll pay the fare difference.**

Flight Flexibility Options

Frontier also offers an add-on called **Flight Flexibility** that can help reduce fees if you think you might need to change your plans 📞 +1-877-622-0707.

- Flight Flexibility can be purchased when you book and **allows one free itinerary change** if made **more than 24 hours before departure** (fare difference still applies).
 - This option expires 24 hours before your first departure, so changes made within 24 hours of departure are still subject to standard change fees.
