- Most seats **do not recline**
- Long flights can feel uncomfortable

Passengers often describe seats as **tight and basic**, especially on longer trips

3. No Free Amenities

Frontier follows a “**pay for what you use**” model:

- No free snacks or drinks
- No entertainment screens or Wi-Fi
- No charging ports on many flights

This makes the experience feel very basic compared to other airlines

4. Customer Service Issues

Customer support is another common concern:

- Long wait times
- Difficulty reaching agents
- Poor handling of complaints

Some reports show Frontier ranks **low in customer satisfaction among U.S. airlines**

- Fewer backup flights compared to major airlines
- Limited rebooking options

Passengers often report frustration when flights are disrupted

6. Strict Policies (Refunds & Changes)

Frontier has strict rules that can be frustrating:

- Missed flights = **no refund (no-show)**
