

((UltimateStepGuide)) Alaska Airlines Name Change Policy 2026: Complete Word Guide

Introduction: Why Name Accuracy Is Critical for Air Travel

Booking a flight should be simple—but one small typo in your name can create serious travel problems. Airlines today use strict identity verification systems, meaning your ticket must exactly match your passport or ID.

Even a minor mistake—like a missing letter or swapped characters—can lead to delays, extra security checks, or even denied boarding.

 +1 (855) -321-3294 |  +1-855-321-3294 |  +1 855 321 3294

That's why understanding how to fix your name properly is essential. This guide will walk you through everything step-by-step.

Policy Overview: What Alaska Airlines Allows

Alaska Airlines has clear rules regarding name corrections.

Allowed

- Minor spelling corrections
- Typo fixes
- Legal name updates

Not Allowed

- Full ticket transfers
- Changing passenger identity
